**SOCIETY OF ANESTHESIA AND SLEEP MEDICINE  
2015 REGISTRATION BROCHURE**

**SASM 5<sup>TH</sup> ANNUAL MEETING  
OCTOBER 22-23, 2015  
HILTON SAN DIEGO BAYFRONT  
SAN DIEGO, CA**

***PRACTICAL MAGIC:  
OPTIMIZING RESOURCES  
FOR BEST OUTCOMES***

**PROGRAM CHAIR:  
PETER GAY, MD  
MAYO CLINIC**

**PROGRAM CO-CHAIR:  
GIRISH P. JOSHI, MBBS  
UNIVERSITY OF TEXAS  
SOUTHWESTERN MEDICAL CENTER**

# ACCREDITATION INFORMATION

## PROGRAM OBJECTIVE

The objective of this meeting is to provide a forum for discussions pertaining to the common grounds between sleep and anesthesia. The goal is to promote excellence in medical care, research and education in anesthesia, sleep medicine and perioperative medicine.

## TARGET AUDIENCE

This conference is designed for anesthesiologists, critical care physicians, residents, fellows-in-training, general medicine physicians, pulmonary physicians, sleep medicine physicians, surgeons, scientists and allied health care professionals.

## PRACTICE GAPS

The overall goal of SASM is to advance standards of care for clinical problems shared by anesthesiology and sleep medicine, including perioperative management of sleep disordered breathing (SDB), and to promote interdisciplinary communication, education and research in matters common to anesthesia and sleep.

### To identify and address present clinical practice gaps we propose to:

- Explore the interaction between sleep and various hospital outcomes within different scenarios and areas of the hospital.
- Examine the challenge to identify post-operative complications that many patients develop associated with sleep disordered breathing (SDB) under different scenarios. Most surgeries are now approached with an outpatient format. These outpatient surgery practices need special attention, especially for those with SDB.
- Provide an ideal format for continuous development and review for newer agents and procedural approaches. The need for appropriate sedation and analgesia in the hospital setting for surgical patients is widely promoted, but comes at the expense of respiratory and other complications.

## LEARNING OBJECTIVES

1. Reveal and discuss the impact of quality sleep in hospitalized patients and the effects on outcomes
2. Target encouragement of more widespread appropriate use of the latest means to assess oxygenation and ventilation to promote best practices
3. Discuss the evolving perioperative evaluation and management of newly diagnosed obstructive sleep apnea (OSA) and provide tools to recognize this need and ways to optimize care of newly diagnosed OSA
4. Indicate the special considerations for patients with OSA undergoing outpatient surgery and offer solutions for reducing or eliminating post-operative complications
5. Offer new perspectives in sedation-analgesia practices focusing on reduction of complications while not losing sight of patient comfort

## ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Institute for the Advancement of Human Behavior (IAHB) and the Society of Anesthesia and Sleep Medicine (SASM). The IAHB is accredited by the ACCME to provide continuing medical education for physicians.

## CREDIT DESIGNATION STATEMENT

The IAHB designates this live activity for a maximum of **12.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## HOTEL INFORMATION

The SASM 5th Annual Meeting will be taking place at the Hilton San Diego Bayfront hotel in San Diego, CA, from October 22-23, 2015. Starting in **June 2015**, please make your hotel reservations online through the American Society of Anesthesiologists (ASA) room block by visiting [www.ASAhq.org](http://www.ASAhq.org). Be sure to book your room as soon as possible to ensure availability!

## THURSDAY, OCTOBER 22, 2015

| Time           | Topic                                                                     | Speaker                                |
|----------------|---------------------------------------------------------------------------|----------------------------------------|
|                | <i>Moderator: Peter Gay, MD, MS</i>                                       |                                        |
| 1:00 – 3:00 pm | <b>Sleep Issues in Hospitalized Patients</b>                              |                                        |
| 1:00 – 1:05 pm | <b>Welcome – 5-Year Anniversary</b>                                       | <i>Peter Gay, MD, MS</i>               |
| 1:05 – 1:25 pm | <b>Overview: Sleep and Disease Issues in the Hospitalized Patient</b>     | <i>David Hillman, MBBS</i>             |
| 1:25 – 1:45 pm | <b>Impact of Sleep on Hospital Outcomes: What Can be Done?</b>            | <i>Vineet Arora, MD, MA</i>            |
| 1:45 – 2:05 pm | <b>Sleep in the ICU</b>                                                   | <i>Richard J. Schwab, MD</i>           |
| 2:05 – 2:25 pm | <b>OSA and Outcomes After Elective Outpatient Procedures</b>              | <i>Amir Sharafkhaneh, MD, PhD</i>      |
| 2:25 – 2:45 pm | <b>Sleep and Circadian Rhythm in the Perioperative Period</b>             | <i>Philip Kurien, MD</i>               |
| 2:45 – 3:00 pm | <b>Q&amp;A/Discussion</b>                                                 | <i>Panel</i>                           |
| 3:00 – 3:30 pm | <b>Break</b>                                                              |                                        |
|                | <i>Moderator: Bhargavi Gali, MD</i>                                       |                                        |
| 3:30 – 5:30 pm | <b>Rapid Fire Technology</b>                                              |                                        |
| 3:30 – 3:35 pm | <b>Rapid Fire Technology Overview</b>                                     | <i>Bhargavi Gali, MD</i>               |
| 3:35 – 4:00 pm | <b>High Flow Humidification Therapy</b>                                   | <i>Bernardo Selim, MD</i>              |
| 4:00 – 4:25 pm | <b>Portable Sleep Testing in Hospitalized Patients</b>                    | <i>Rami Khayat, MD</i>                 |
| 4:25 – 4:50 pm | <b>Evolving Options for Respiratory Monitoring on Med/Surgical Floors</b> | <i>Frank Overdyk, MSEE, MD</i>         |
| 4:50 – 5:15 pm | <b>Contrasting Neural Mechanisms of Sleep and Anesthesia</b>              | <i>Patrick Purdon, PhD</i>             |
| 5:15 – 5:30 pm | <b>Q&amp;A/Discussion</b>                                                 | <i>Panel</i>                           |
| 5:30 – 6:00 pm | <b>Welcome Reception</b>                                                  |                                        |
| 6:00 – 9:00 pm | <b>Dinner *Additional Fee Applies for Non-Gold Patron Members</b>         |                                        |
| 6:00 – 6:05 pm | <b>Welcome and Introductions</b>                                          | <i>Frances Chung, MB BS</i>            |
| 6:05 – 6:10 pm | <b>Anesthesia &amp; Analgesia: New Vision</b>                             | <i>Jean-Francois Pittet, MD</i>        |
| 6:10 – 6:30 pm | <b>Anesthetic Roulette, Anyone?</b>                                       | <i>David Dawson, MB, ChB, FRCA</i>     |
| 6:30 – 7:30 pm | <b>Dinner</b>                                                             |                                        |
| 7:30 – 8:00 pm | <b>Innovation and Entrepreneurship in SDB</b>                             | <i>Peter Farrell, BE, MS, PhD, DSc</i> |
