CONFERENCE DESCRIPTION

This conference, presented by The Society of Anesthesia and Sleep Medicine (SASM) and The University of Chicago, has been developed as an educational opportunity to present and discuss the basic and more controversial areas of sleep apnea and anesthesia.

The objective of this meeting is to provide a forum for discussions pertaining to the common grounds between obstructive sleep apnea, sleep and anesthesia. The goal is to promote excellence in medical care, research and education in anesthesia, sleep medicine, and perioperative medicine.

LEARNING OBJECTIVES

After attending this educational activity, participants will be able to:

- Understand the mechanism of ventilatory control and the relationship between anesthesia and sleep;
- Review what a health professional should know about sleep apnea and the impact of sedatives/narcotics, and position perioperatively;
- Interpret the perioperative complications of OSA patients;
- Appraise practice pathways to screen, diagnose and manage sleep-disordered breathing in the perioperative period.

Please join us for what promises to be an informative and thought-provoking conference!

TARGET AUDIENCE

The target audience includes anesthesiologists, critical care physicians, residents, fellows-in-training, general medicine physicians, pulmonary physicians, sleep medicine physicians, surgeons, scientists and allied health care professionals.

ACCREDITATION AND CREDIT DESIGNATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of The University of Chicago Pritzker School of Medicine and The Society of Anesthesia and Sleep Medicine. The University of Chicago Pritzker School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 11 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and other health professionals will receive a Certificate of Attendance. For information on applicability and acceptance, please consult your professional licensing board.

EDUCATIONAL GRANTS/COMMERCIAL SUPPORT

This CME certified activity has not requested or received any type of support or funding from commercial interests. This includes, but is not limited to, pharmaceutical companies and medical device manufacturers.

SASM (SOCIETY OF ANESTHESIA AND SLEEP MEDICINE)

Mission

The mission of SASM is to advance standards of care for clinical problems shared by Anesthesiology and Sleep Medicine, including perioperative management of sleep disordered breathing, and to promote interdisciplinary communication, education and research in matters common to anesthesia and sleep.

Benefits of Membership in SASM include:

- Reduced registration fees at SASM sponsored meetings
- SASM newsletter
- Full voting rights in electing SASM Board of Directors and SASM Officers
- Access to SASM directory of members
- Enhances your network of regional, national, and international colleagues
- Member directory allows identification of individuals with similar research interests
- Learn of collaborative research projects
- Educational material posted for members only
- Gives a forum to evaluate and discuss the latest research, education, and clinical practices pertaining to OSA and patients with other sleep disordered breathing
- Get advice and counsel from other members regarding various practice paradigms

TO APPLY FOR MEMBERSHIP

To become a SASM member, please visit <http://anesthesiaandsleep.org>.
