## PROGRAM OBJECTIVE

The objective of this meeting is to provide a forum for discussions pertaining to the common grounds between sleep and anesthesia. The goal is to promote excellence in medical care, research and education in anesthesia, sleep medicine and perioperative medicine.

## TARGET AUDIENCE

This conference is designed for anesthesiologists, critical care physicians, residents, fellows-in-training, general medicine physicians, pulmonary physicians, sleep medicine physicians, surgeons, scientists and allied health care professionals.

## PRACTICE GAPS

The overall goal of SASM is to advance standards of care for clinical problems shared by anesthesiology and sleep medicine, including perioperative management of sleep disordered breathing (SDB), and to promote interdisciplinary communication, education and research in matters common to anesthesia and sleep.

**To identify and address present clinical practice gaps, we propose to explore the following gaps existing today in care of patients with sleep-disordered breathing:**

- Special challenges in perioperative management of restless leg syndrome, narcolepsy and insomnia
- Difficulty in recognition of sleep-disordered breathing in pregnant females; concerns regarding neuraxial opioids in pregnant patients undergoing labor or delivery; and PAP therapy in pregnant patients
- What's new on monitoring and devices

## LEARNING OBJECTIVES

1. Discuss preoperative considerations and management in special situations like restless leg syndrome, narcolepsy and insomnia.
2. Explore alternative therapies to positive airway pressure and the changing landscape of non-invasive ventilation.
3. Discuss anesthetic risks for neuraxial opioids in parturients with sleep-disordered breathing undergoing labor epidural and/or cesarean section, as well as for parenteral opioids in non-obstetric surgery in the obstetric patient.
4. Examine European perspectives in management of sleep-disordered breathing.

## ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of QuorumEDU and the Society of Anesthesia and Sleep Medicine (SASM). QuorumEDU is accredited by the ACCME to provide continuing medical education for physicians.

## CREDIT DESIGNATION STATEMENT

QuorumEDU designates this live activity for a maximum of **12.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## HOTEL INFORMATION

The SASM 6th Annual Meeting will be taking place at a location to be announced in Chicago, Illinois, from October 20-21, 2016. Starting in **June 2016**, please make your hotel reservations online through the American Society of Anesthesiologists (ASA) room block by visiting [www.ASAhq.org](http://www.ASAhq.org).
