ACCREDITATION INFORMATION

PROGRAM OBJECTIVE

The objective of this meeting is to provide a forum for discussions pertaining to the common grounds between sleep and anesthesia. The goal is to promote excellence in medical care, research and education in anesthesia, sleep medicine and perioperative medicine.

TARGET AUDIENCE

This conference is designed for anesthesiologists, critical care physicians, residents, fellows-in-training, general medicine physicians, pulmonary physicians, sleep medicine physicians, surgeons, scientists and allied health care professionals.

PRACTICE GAPS

The overall goal of SASM is to advance standards of care for clinical problems shared by anesthesiology and sleep medicine, including perioperative management of sleep disordered breathing (SDB), and to promote interdisciplinary communication, education and research in matters common to anesthesia and sleep.

To identify and address present clinical practice gaps, we propose to explore the following gaps existing today in care of patients with sleep-disordered breathing:

- Research on the topic of perioperative sleep disordered breathing remains rare and best suited study designs are sought to answer related questions.
- The adequate availability and utility of sleep laboratories to diagnose obstructive sleep apnea versus ambulatory approaches and the right approach to perioperative patients is intensely debated.
- It remains unknown if postoperative monitoring for patients with sleep disordered breathing is effective.
- The safety of opioids used in a perioperative and chronic setting in patients with sleep disordered breathing has been questioned and associated risk of complications and related mechanisms by which this patient population may be exposed to increased risk remain poorly understood.
- In the era of early recovery programs and increasing ambulatory surgical procedures the influence of sleep disordered breathing on patient selection from a medical and legal perspective remains debated.
- Evidence based guidelines regarding the intraoperative care of surgical patients with sleep disordered breathing and/or narcolepsy remain elusive.

LEARNING OBJECTIVES

1. Discuss and understand the role of diagnostic modalities and monitoring tools for patients with sleep disordered breathing.
2. Discuss and understand the role of opioid administration in patients with sleep disordered breathing and its impact on complications.
3. Discuss and understand the impact of sleep disordered breathing on eligibility for early recovery programs and ambulatory care.
4. Discuss and understand the current evidence for the intraoperative care of patients with sleep disordered breathing and perioperative care of patients with narcolepsy.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Amedco and the Society of Anesthesia and Sleep Medicine (SASM). Amedco is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Amedco designates this live activity for a maximum of **13.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

HOTEL INFORMATION

The Society of Anesthesia and Sleep Medicine 7th Annual Meeting will be taking place at the Hilton Boston Logan Airport in Boston, Massachusetts, from October 19-20, 2017. Starting in June 2017, please make your hotel reservations online through the American Society of Anesthesiologists room block by visiting www.ASAhq.org. Be sure to book your room as soon as possible to ensure availability!

SCHEDULE OF EVENTS

THURSDAY, OCTOBER 19, 2017

1:00-1:05pm	Welcome – 7th Annual Meeting <i>Stavros Memtsoudis, MD, PhD</i>
1:05-3:00pm	Research in Perioperative Sleep Medicine Moderator: <i>Babak Mokhlesi, MD, MSc</i>
1:05-1:45pm	Most Influential Publications in Perioperative Sleep Medicine 2015-17 <i>Susana Vacas, MD, PhD</i>
1:45-2:45pm	Designing Clinical Trials in Perioperative Sleep Medicine: A Rationale and Pragmatic Approach <i>Daniel Gottlieb, MD, MPH</i>
2:45-3:00pm	Panel Discussion
3:00-3:15pm	Refreshment Break
3:15-5:00pm	Challenges in the Practice of Sleep Medicine Moderator: <i>Peter Gay, MD</i>
3:15-3:45pm	Sleep Labs are Obsolete for Perioperative Assessment of Sleep-Disordered Breathing: Pro <i>Lawrence Epstein, MD</i>
3:45-4:15pm	Sleep Labs are Obsolete for Perioperative Assessment of Sleep-Disordered Breathing: Con <i>Susheel Patil, MD, PhD</i>
4:15-4:45pm	Postoperative Monitoring for Patients with Sleep Apnea: The Good, the Bad and the Useless <i>Satya Krishna Ramachandran, MD, MBBS</i>
4:45-5:00pm	Panel Discussion
5:00-6:00pm	Welcome Reception
6:00-8:00pm	VIP Speaker Dinner
6:00-6:30pm	Welcome and Introductions <i>Girish Joshi, MBBS, MD, FFARCSI</i>
6:30-7:15pm	Novel Ways of Diagnosing Sleep-Disordered Breathing <i>Koby Sheffy, PhD</i>

FRIDAY, OCTOBER 20, 2017

7:00-7:30am	Continental Breakfast and Registration
7:30-7:55am	Annual General Meeting <i>Girish Joshi, MBBS, MD, FFARCSI</i>
8:00-9:45am	Keynote Speakers and Special Topics Moderator: <i>Babak Mokhlesi, MD, MSc</i>
8:00-8:05am	Welcome – Overview
8:05-8:50am	KEYNOTE: The Opioid Epidemic, Chronic Pain Syndromes and the Patient with Sleep-Disordered Breathing <i>Chad Brummet, MD</i>
8:50-9:35am	KEYNOTE: Traditional and Novel Ways to Monitor Patients in the Post-Operative Period <i>Dean Hess, PhD, RRT</i>
9:35-9:45am	Panel Discussion
9:45-10:30am	Refreshment Break with Poster Viewing & Exhibits
10:30-12:15pm	Sleep Apnea and Challenges in Pain Management Moderator: <i>Girish Joshi, MBBS, MD, FFARCSI</i>
10:30-11:00am	Pain, Opioid Analgesia, and the Patient with Obstructive Sleep Apnea <i>Anthony Doufas, MD, PhD</i>
11:00-11:30am	Postoperative Delirium and Sleep Apnea <i>Sakura Kinjo, MD</i>
11:30-12:00pm	Hypercapnic Respiratory Failure in the Early Post-Operative Period <i>Toby Weingarten, MD</i>
12:00-12:15pm	Panel Discussion
12:15-1:15pm	Awards Presentation Luncheon & Poster Viewing Moderators: <i>Malin Jonsson Fagerlund, MD, PhD & Toby Weingarten, MD</i>
